Public Works/Finance Department/Utility Billing

73 Industrial Dr, 847-428-4167

Police Department

86 Railroad St, 847-428-2954

It is the policy of the Village of Gilberts to provide, support, implement, and maintain high quality services and facilities in order to promote, protect and enhance the health, safety, welfare and quality of life of its citizens. The ability of the Village to provide high quality services to its residents is dependent in large part on the employees of the Village performing at a consistently high professional level. The Village takes pride in the spirit of professionalism, warmth and hospitality of its employees, who as public servants are charged with the responsibility to courteously deliver reliable, efficient and effective municipal services.

The Village Board meets the first and third Tuesday of the month at 7:00 pm at Village Hall, 87 Galligan Rd. The Committee of the Whole meetings are held the second Tuesday of the month at 7:00 pm at Village Hall.

January 2016

Village Parks

2016

Memorial Park at 355 Tyrrell Road offers a baseball diamond, basketball court, playground, skate park, walking path, fishing pond, and picnic pavilion.

Town Square Park at 195 Jackson Street offers a playground, walking paths, fishing pond, and large open space with a gazebo.

Waitcus Park, located on Route 72 just west of Railroad Street offers a baseball diamond, basketball court, playground, pond, picnic pavilion, and walking paths.

Town Center Park is located at 301 Columbia Lane and currently offers football and soccer fields, baseball diamonds, a playground, a splash park as well as a seasonal ice skating rink!

Parks in the Village of Gilberts provide a fun and safe environment, and can even be reserved for special events!

To reserve the pavilion at Memorial Park or Waitcus Park, please call the Village Hall at (847) 428-2861 to check availability.

A rental form along with applicable payment instructions can be found **on the Village's website**, www.villageofgilberts.com or at the Village Hall at 87 Galligan Road.

Please remember to clean up following your special event!

April 2016

April is Community Service Month. If you are interested in volunteering your time please contact Village Hall at 847-428-2861.

History of the Village of Gilberts

2016

In 1855, Elijah Wilcox, and Andrew Pingree bought Gilberts' farm and platted the village. Because of Albro Gilberts' great presence and establishment in this area, Gilberts Station was renamed Gilberts in his honor.

The construction of St. Mary's Catholic Church was one component to the growth of Gilberts. Also during this time, Route 72 was in its early stages of development. The highway was almost never completed as it was interrupted by the development of a giant sinkhole that suddenly appeared after the spring thaw of 1852. This event brought citizens together as they worked with great effort to fill the "bottomless pit" with trees, rubbish, and rocks. After recovering from the excitement, the village settled into a central transportation point and furthered their construction of the Chicago and North Western Railway through the village.

In 1868, David Haegar, founder of Haegar Pottery, started construction on what would become the largest tile and brick factory in Illinois. By 1875, Gilberts was a thriving community.

In 1956, the construction of the Chicago-Northwest Tollway started a renewal in the town. Although there was not a direct access to the road, it did spur interest in further development in Gilberts. In 1958, the fire department started its present form, consisting of two stations, one of which is located in downtown Gilberts. In the mid 1960's, a light industrial manufacturing area was established off of Route 72 and the core of the village was enhanced by four new subdivisions including Windmill Meadows, Dunhill Estates, Gilberts Glen, and Indian Trails. By the 1970's, the first industrial park was constructed along the southeast subdivisions and as growth continued, a second and eventually third industrial park were established.

On June 3, 2015 the Village of Gilberts celebrated it's 125th birthday!

May 2016

May is Building Safety Month. Building codes establish construction standards that minimize risk to life, health and property damage from fire, weather and other disasters.

Village of Gilberts Water and Wastewater Department

2016

To open a water account, or if you have any water billing questions, please contact the water department at 847-428-4167.

The Village of Gilberts places a strong emphasis on educating our residents on the quality of our drinking water. Just as important, the Village of Gilberts makes the necessary investments to maintain and upgrade its facilities so that we can deliver quality water directly to your tap 24 hours per day, 7 days per week. As regulations and drinking water standards change, it is our ongoing commitment to you to incorporate these changes in our water system in a prompt and cost-effective manner. Our customers are our top priority, and we are committed to providing them with the highest quality drinking water and service possible now and in the years to come.

What is a Water Quality Report?

To comply with state and US Environmental Protection Agency (EPA) regulation, the Village of Gilberts issues a report annually describing the quality of your drinking water. The purpose of this report is to raise your understanding of drinking water and awareness of the need to protect your drinking water sources. This report provides an overview of the previous year's water quality. Please visit the Village website at www.villageofgilberts.com for the most up to date water quality report.

Source Water Information

The source of water for Gilberts is groundwater. Two wells, each over 1,000 feet deep, draw from a deep bedrock aquifer. Two new wells and an ion exchange treatment system were placed in service in 2002.

Questions?

To learn more about water quality, please contact:

John Castillo, Utilities Superintendent

Tel. # 847-428-4167

Village of Gilberts Building Department

2016

The Building Department performs plan reviews, permitting, construction inspections, and occupancy inspections of new and renovated buildings in the Village. It also enforces the adopted property maintenance codes for existing buildings and provides zoning reviews as well as acts as liaison to the Zoning Board of Appeals, and prepares updates for building and related regulations as needed.

A building permit is required for construction of a new building or additions of an existing structure that increases its size, creates structural changes or involves plumbing or electrical work.

Contact the building department if you are planning any work on or around your property to avoid any penalties and/or fines for work completed without a permit. Most building projects require a permit to ensure that the work performed adheres to the Village and International Codes.

2016

The Gilberts Police Department

Is located at 86 Railroad Street,
Gilberts, IL

In an emergency, please dial **9-1-1** or
dispatch at 630-232-8400.

If you wish to speak with an officer at your
home or business please call 9-1-1

Police Services and Programs

Social Programs

The McGruff Safe House Program is a partnership between law enforcement and the community to provide a safe haven for children in frightening or dangerous situations. Various residences are marked with visible signs making children aware that the location is safe to seek assistance from in a time of need. The Village Police Department is also a Safe Haven providing shelter for infants. The Citizen Police Academy class is a ten-week program offered to citizens to learn about the workings of the Village Police Department, including tours and ride-a-longs.

Ride Along Program

The Gilberts Police Department currently operates a Ride Along program that enables residents 18 and over to ride along with an officer on patrol. Residents who are interested in participating in the Ride Along program are invited to stop by the Gilberts Police Department, 86 Railroad Street for more information. Information is also available by calling the station at (847) 428-2954 and asking for the shift supervisor.

Neighborhood Watch Program

The Village of Gilberts Police Department offers a Neighborhood Watch Program for all residents in the Village. The program allows residents and the Police Department the opportunity to work together in preventing crime in the Village. The Neighborhood Watch Group meets on a bi-monthly basis with meetings usually lasting about 1 hour.

September 2016

The Gilberts Police Department is located at 86 Railroad Street. In an emergency, please dial 9-1-1.

Annual Bonfire!

Saturday, October 22, 2016 from 3:30 to 5:30 PM
at Memorial Park

2016

Halloween Safety Tips

- Light colored or reflective clothing is recommended.
- Children need to see clearly through any masks. Face paint is a better alternative.
- Avoid hard plastic or wooden props such as daggers and swords, as kids can get carried away with them. Substitute with foam which is soft and flexible.
- Whenever possible, adults should accompany children.
- Children should stay within their own neighborhood and visit only homes that they know.
- Only give and accept wrapped and packaged candy.

Official Trick of Treat hours for the
Village of Gilberts are from
**3:00 PM—7:00 PM on Halloween,
Tuesday, October 31**

Questions?

Village of Gilberts Public Works Department

The Public Works Department is committed to maintenance, repair and general upkeep to the streets, buildings, public areas, and parks of the Village of Gilberts.

2016

Streets, Parks, and Public Areas

Snow & Ice: Committed to remove snow and ice to have a drivable street within 4 hours of a measurable event of 2" or more. The Village has a fleet of four mainline plow trucks with two reserve trucks ready at a moment's notice. We annually keep over 500 tons of roadway salt to disperse after the streets have been plowed.

Pot Holes: Committed to fill pot holes within 48 hours of a filed report. Call 847-428-4167 to report a pot hole. After hours, please leave a message.

Roadway Crack Sealing: Each year, the Village seals the cracks in the Village streets. Neighborhood streets are done on a rotating basis. Signs are placed on the streets during this time to help warn the residents of possible sticky tar on the roadway.

Street Signs: Report a down or missing street sign at 847-428-4167.

Streetlights: Report all down or non-working streetlights to Public Works at 847-428-4167. Village owned streetlights will be repaired within 5 working days. Some of our streetlights are owned by ComEd. Call Public Works, and we will notify ComEd within 8 hours for repairs.

Memorial, Waitcus, and Town Center Parks: Maintained by Public Works. Equipment, athletic fields, pavilions and walking areas are cared for each week.

Fishing: All ponds in the Parks are open for fishing. The Village stocks game fish twice a year to keep angling sports alive in Gilberts. The ponds are not open for boating or swimming.

Public Works is located at:

**73 Industrial Drive
Gilberts, IL 60136**

Tel.# 847-428-4167

Fax # 847-551-3382

Hours: Monday-Friday

8:30 AM—4:30 PM

November 2016

The Village would like to remind all residents to not flush wipes or other rags down their toilets. This type of activity can cause damage to our sanitary system.

WHERE YOUR PROPERTY TAX DOLLAR GOES

2016

This chart depicts the portion of your property tax dollar received by each of the local government departments in the Village of Gilberts. There may be some variations due to your location in the village, value of your property (known as assessed valuation) and is determined by a process through the Township Assessor. Each local government determines its own tax levy which results in its share of the total tax bill. The billing and collection process is done by the Kane County Treasurer's Office. Rounding errors cause the graphic to equal 99%.
