Village Administrator Memorandum 51-15

TO:

President Rick Zirk

Board of Trustees

FROM:

Ray Keller, Village Administrator

DATE:

June 5, 2015

RE:

Village Board Committee of the Whole Meeting – June 9, 2015

The following summary discusses the agenda items for the Committee of the Whole meeting scheduled for June 9, 2015:

1. CALL TO ORDER

2. ROLL CALL / ESTABLISH QUORUM

3. ITEMS FOR DISCUSSION

A. Minutes from the June 2, 2015 Village Board Meeting

Please review the enclosed minutes from the Village Board meeting on June 2. Staff recommend approval. Unless directed otherwise, this item will be added to the Consent Agenda for the June 16 meeting.

B. Ordinance 15-2015, an Ordinance adopting Prevailing Wage Rates to be paid to Laborers, Mechanics and other Workers Performing Construction of Public Works in the Village of Gilberts, Kane County, Illinois

State statute requires the annual adoption of an updated prevailing wage schedule, as determined by the Department of Labor. Prevailing wages apply to all workers engaged in "the construction of public works," which is broadly defined to include most Village projects involving outside firms. Staff recommend approval of this housekeeping item. Unless directed otherwise, this item will be added to the Consent Agenda for the June 16 meeting.

C. Water/Sewer Rates

At the meeting, Staff will revisit the options for a new water and sewer rate schedule that will be needed to cover anticipated cost increases. In 2008, the Village increased its water rate from \$3.60 to \$4.50 per 1000 gallons and the sewer rate from \$2.18 to \$4.50 per 1000 gallons, for a combined rate of \$9.00 per 1000 gallons. Since then, the Village has kept its water and wastewater operating costs in line with incoming revenues, but the current rates do not provide adequate funding for capital replacement, major maintenance (e.g. water tower painting) or inflationary adjustments to operating costs.

Public Works Facility
Finance & Building Departments
73 Industrial Drive, Gilberts, IL 60136
Ph. 847-428-4167 Fax: 847-551-3382

Police Department 86 Railroad St., Gilberts, IL 60136 Ph. 847-428-2954 Fax 847-428-4232 The debt service and operating costs of the barium removal system that was required by new IEPA regulations are now prompting a reexamination of the Village's water rate. The recent adoption of the new sanitary system tap-on fee schedule isolated the share of the capital costs attributable to new development, but additional environmental enhancements and system upgrades required by the IEPA may warrant increasing the wastewater user rate as well.

Please contact me with any questions or suggestions about additional rate scenarios or cost considerations to be prepared for the meeting.

4. STAFF REPORTS

Staff will provide updates on current activities at the meeting.

5. BOARD OF TRUSTEES REPORTS

6. PRESIDENT'S REPORT

7. PUBLIC COMMENT

8. EXECUTIVE SESSION

Staff request an executive session to discuss ongoing litigation. Please let me know if you have any questions about other executive session topics.

9. ADJOURNMENT

VILLAGE OF GILBERTS Committee of the Whole MEETING AGENDA

87 GALLIGAN ROAD, GILBERTS, ILLINOIS 60136 June 9, 2015 AGENDA 7:00 P.M.

ORDER OF BUSINESS

- 1. CALL TO ORDER / PLEDGE OF ALLEGIANCE
- 2. ROLL CALL / ESTABLISH QUORUM
- 3. ITEMS FOR DISCUSSION
 - A. Minutes from the June 2, 2015 Village Board Meeting
 - B. Ordinance 15-2015, an Ordinance adopting Prevailing Wage Rates to be Paid to Laborers, Mechanics, and other Workers Performing Construction of Public Works in the Village of Gilberts, Kane County, Illinois
 - C. Water/Sewer Rates
- 4. STAFF REPORTS
- 5. BOARD OF TRUSTEES REPORTS
- 6. PRESIDENT'S REPORT
- 7. PUBLIC COMMENT
- 8. EXECUTIVE SESSION

A portion of the meeting will be closed to the Public, effective immediately as Permitted by 5 ILCS 120/2(c) (1) to discuss the appointment, employment, compensation, discipline, performance, or dismissal of specific employees of the Village, and as permitted by 5 ILCS 120/2 (c) (11) to discuss litigation against, affecting, or on behalf of the Village which has been filed and is pending in a court or administrative tribunal of which is imminent and as permitted by 5 ILCS 120/2(c) (21) to review and approve closed session minutes and as permitted by 5 ILCS 120/2 (c) 2 Collective negotiating matters.

9. ADJOURNMENT

"The Village of Gilberts complies with the Americans with Disabilities Act (ADA). For accessibility assistance, please contact the Village Clerk at the Village Hall, telephone number 847/428-2861."

Village of Gilberts 87 Galligan Road Gilberts, IL 60136 Village Board Meeting Minutes June 2, 2015

Call to Order/ Pledge of Allegiance

President Zirk called the meeting to order at 7:00 p.m. He proceeded to lead those present in the Pledge of Allegiance.

Roll Call/Establish Quorum

Village Clerk Meadows called the roll. Roll call: Members present: Trustees Kojzarek, Corbett, Zambetti, Farrell and President Zirk. Others present: Administrator Keller, Attorney Tappendorf, Clerk Meadows. For members of the audience please see the attached copy of the sign in sheet.

Public Comment

President Zirk asked if there were any issues any one in attendance wished to bring to the Board Members attention. There were no comments from the audience.

Consent Agenda

- A. A Motion to approve Minutes from the May 19, 2015 Special Village Board Meeting
- B. A Motion to approve Bills & Salaries dated June 2, 2015 as follows: General Fund \$27,781.30, Performance Bonds \$5,868.38, Water Fund \$10,100.34.

President Zirk inquired if any of the Board Members wished to remove any items from the consent agenda for separate consideration. There were no comments from the Board Members. <u>A Motion was made by Trustee Zambetti and seconded by Trustee Farrell to approve the consent agenda items A-B as presented.</u> Roll call: Vote: 4-ayes: Trustees Kojzarek, Corbett, Zambetti and Farrell. 0-nays, 0-abstained. Motion carried.

Items for Approval

A Motion to approve Ordinance 14-2015, an Ordinance amending the Gilberts Village Code concerning sanitary sewer connection fees.

Administrator Keller reported the approval of this Ordinance amending the Village Code concerning sanitary sewer connection fees balances the current connection rate with the future cost of the plant expansion.

The implementation of a tiered schedule devised by Engineer Carl Fisher safeguards against pre-paying the connections fees as the fees are collected at the time a building permit is issued. Thus the substantive rate increases are tied to the reduced plant capacity, which will eventually trigger the plant expansion project and the connection fees collected will fund the cost of the expansion. Administrator Keller noted that to ensure that sufficient fees are collected now for a future plant expansion project, the Village will need to update the fee schedule annually to account for inflation.

There being no further discussion on Ordinance 14-2015, a Motion was made by Trustee Zambetti and seconded by Trustee Kojzarek to approve Ordinance 14-2015, an Ordinance amending the Gilberts Village Code concerning sanitary sewer connection fees. Roll call: Vote: 4-ayes: Trustees Corbett, Zambetti, Farrell and Kojzarek. 0-nays, 0-abstained. Motion carried.

A Motion to approve Resolution 26-2015, a Resolution adopting the Village of Gilberts Affordable Housing Plan

Administrator Keller reported that Resolution 26-2015, is a Resolution carried over from the last Board Meeting's discussion. The Resolution adopting an affordable housing plan satisfies the requirements of the Affordable Housing Planning and Appeal Act. President Zirk asked if Trustee Hacker's questions had been adequately answered. Administrator Keller stated he believe he had answered Trustee Hacker's questions.

There being no further discussion on Resolution 26-2015, a Motion was made by Trustee Farrell and seconded by Trustee Kojzarek to approve Resolution 26-2015, a Resolution adopting the Village of Gilberts Affordable Housing Plan. Roll call: Vote: 4-ayes: Trustees Farrell, Kojzarek, Corbett and President Zirk. 1-nay: Trustee Zambetti. 0-abstained. Motion carried.

A Motion to approve Resolution 27-2015, a Resolution approving the release of the East Industrial Park Water System Improvements Performance Bond.

Administrator Keller reported that Interstate Partners LLC and JSR Properties had posted a performance bond for the construction of the offsite water main which runs along Sola and Center Drives. Village Engineer Bill Blecke from Baxter & Woodman had verified that the work was satisfactorily completed and the lien waivers were in order. He recommends releasing the performance bond, conditional upon receiving the bill of sale and posting a two-year maintenance bond in the amount of \$56,760.

There being no further discussion on Resolution 27-2015, a Motion was made by Trustee Farrell and seconded by Trustee Zambetti to approve Resolution 27-2015, a Resolution approving the release of the East Industrial Park Water System Improvement Performance Bond. Roll call: Vote: 4-ayes: Trustees Farrell, Kojzarek, Corbett and Zambetti. 0-nays, 0-abstained. Motion carried.

Items for Discussion

Town Center Park-future improvement

Administrator Keller commented on some recent positive posts on the Village Facebook Page with respect to the new Splash Park located at the Town Center Park. He noted that some residents were requesting the Village install park benches.

Administrator Keller reported that Staff along with the Board's approval recently submitted a Kane County Riverboat grant application. The grant application included benches, tables along with a possible shelter/gazebo and shade trees. He noted that Staff is looking for direction on what the Board Members expectation are regarding the aesthetics of the park features. Administrator Keller questioned if the Board Members were looking for a rustic shelter similar to Memorial Park or a more decorative pavilion similar to the one located in Town Square Park. A lengthy discussion ensued with respect to the types of benches, tables and shelter the Board Members preferred.

The Board Members discussed the gravel extension to the Town Center Park parking lot. Administrator Keller reported that Stormwater Engineer Kannigan was working on receiving a concrete donation to finish the gravel section. However, he was unable to obtain a donation to complete the gravel area. The Board would prefer the gravel site be covered with black dirt and grass.

Administrator Keller provided the Board Members with an electronic catalog containing various types of benches, tables and shelters. The Board Members directed Staff to order a couple of simple inexpensive benches until they know the outcome of the Kane County Riverboat grant application.

Administrator Keller inquired if the Board Members had a preference on the type of park signs which note the hours of the splash pad and the park hours. The Board Members expressed no strong feeling either way.

There was some discussion on renting out Town Center Park similar to the Memorial and Waitcus pavilion rental policy. The Board Members concurred at this time not to allow renting Town Center Park.

The Board Members will continue to discuss their expectations on the design of Town Center Park.

Staff Reports

Administrator Keller commented on the Tollway's Route 72 bridge reconstruction project.

He noted that the Village had lobbied the Tollway for a temporary third signal at the entrance of Windmill Meadows. However, the Tollway denied the Village's request. Administrator Keller reported that he had monitored the Route 72 bridge reconstruction project and for the most part traffic is moving in and out of Windmill Meadows without incident.

Administrator Keller reported that on June 17th the Plan Commission will be conducting a Public Hearing on the variance petition for 214 Galligan Road.

Administrator Keller reported that the 1 ½ acre gas station petition continues to move forward. He is waiting on plans. This matter may be pushed until sometime in July.

Attorney Tappendorf requested the Board consider entering into an executive session to discuss litigation with no business to follow.

Attorney Tappendorf reported that Mr. Jim Hill owner of the Mobile Mart had contacted her to inquire on her thoughts with respect to his chances of obtaining a State Video Gaming License. She provided him with her firm's interruption of the law. However, she suggested Mr. Hill speak directly to his attorney and the Illinois Gaming Board.

Assistant Administrator Beith noted that June 2, 1890 is the date the Village was incorporated.

Board of Trustee Reports

Trustee Corbett complemented the Community Days Committee on the great job they did with organizing the festival. Trustee Corbett complemented Assistant Administrator Beith on his musical performance during the festival.

Trustee Zambetti also complemented the Community Days Committee on the great job they did organizing the festival.

Trustee Farrell acknowledged Public Works and the Police Department for all their hard work organizing and participating in the festival. She thanked Mr. Mike Meadows for all his hard work with the band line-up and working backstage. Trustee Farrell commented on Saturday's inclement weather. She noted that it was unfortunate they lost their longest day's revenue.

President's Report

President Zirk also complemented the Community Days Committee Members on a job well done. He acknowledged volunteers Mr. Mark Henning and Mr. Chris Ross for their hard work through-out the four day festival. He commented on the Village's birthday celebration which was held during the festival. President Zirk believed the birthday celebration went well even with the inclement weather conditions.

Executive Session

A Motion was made by Trustee Zambetti and seconded by Trustee Farrell to enter into executive session as permitted by 5 ILCS 102/2 (c) (11) to discuss litigation against, affecting, or on behalf of the Village which has been filed and is pending in a court or administrative tribunal of which is imminent with no business to follow. Roll call: Vote: 4-ayes: Trustees Kojzarek, Corbett, Zambetti and Farrell. 0-nay, 0-abstained. Motion carried.

The Board Members along with Administrator Keller, Attorney Tappendorf, Assistant Administrator Beith and Village Clerk Meadows went into executive session at 7:46 p.m. and returned to the public meeting at 8:01 p.m.

Reconvene/Roll Call

Village Clerk Meadows called the roll. Roll call: Members present: Trustees Kojzarek, Corbett, Zambetti, Farrell and President Zirk. Others present: Administrator Keller, Assistant Administrator Beith, Attorney Tappendorf and Village Clerk Meadows.

Adjournment

There being no further public business to discuss, <u>a Motion was made by Trustee Farrell and seconded</u> by Trustee Corbett to adjourn from the public meeting at 8:04 p.m. Roll call: Vote: 4-ayes by unanimous voice vote. 0-nays, 0-abstained. Motion carried.

Respectfully submitted,

Debra Meadows

VILLAGE OF GILBERTS

KANE COUNTY

STATE OF ILLINOIS

ORDINANCE NUMBER 15-2015

An Ordinance Adopting Prevailing Wage Rates to be Paid to Laborers, Mechanics and other Workers Performing Construction of Public Works in the Village of Gilberts, Kane County, Illinois

ADOPTED BY THE
PRESIDENT AND BOARD OF TRUSTEES
OF THE
VILLAGE OF GILBERTS
KANE COUNTY
STATE OF ILLINOIS

2015

Published in pamphlet form by authority of the President and Board of Trustees of the Village of Gilberts, Kane County, Illinois this day of June, 2015

An Ordinance Adopting Prevailing Wage Rates to be Paid to Laborers, Mechanics and other Workers Performing Construction of Public Works in the Village of Gilberts, Kane County, Illinois

WHEREAS, The State of Illinois has enacted the Prevailing Wage Act, approved June 26, 1941, as amended, being 820 ILCS 130/0.01 through 130/12 (the "Act); and

WHEREAS, the Act requires that during the month of June of each calendar year the Board of Trustees of the Village of Gilberts (the "Village") investigate and ascertain the prevailing rate of wages, as defined in said Act, in the "locality" of the Village for laborers, mechanics and other workers performing construction of public works for the Village.

NOW, THEREFORE, BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF GILBERTS, KANE COUNTY, ILLINOIS, AS FOLLOWS:

Section 1: To the extend and as required by the Act, the general prevailing rate of wages in this locality for laborers, mechanics and other workers engaged in the construction of public works coming under the jurisdiction of the Village is hereby ascertained to be the same as the prevailing rate of wages for construction in Kane County as determined by the Department of Labor of the State of Illinois (the "Department") as of June 1, 2015, a copy of that determination being attached hereto and incorporated herein by reference. As required by said Act, any and all revisions of the prevailing rate of wages by the Department shall supersede the Department's June determination and apply to any and all public works construction undertaken by the Village. The definition of any terms appearing in this Ordinance which are used in the Act shall be the same as in the Act.

- **Section 2:** Nothing herein contained is intended to apply nor shall be construed to apply said prevailing rate of wages as herein ascertained to any work or employment performed on behalf of this Village except public works construction to the extent required by the Act.
- **Section 3:** If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity thereof shall not affect any of the other provisions of this Ordinance.
- **Section 4:** All Ordinances in conflict herewith are hereby repealed to the extent of such conflict.

Section 5: The Village Clerk shall publicly post or keep available for inspection by any interested part in the main office of this Village this determination of prevailing rate of wages. A copy of this determination or of the current revised determination of prevailing rate of wages then in effect shall be attached to all contact specifications.

Section 6: By July 12th, the Village Clerk shall file a certified copy of this Ordinance with the Department of Labor.

Section 7: Within thirty (30) days after filing the Village Clerk shall cause to be published in a newspaper of general circulation within the area a notice that this determination is effective and constitutes the determination of this public body.

Section 8: The Village Clerk shall mail a copy of this Ordinance to any employer, and to any association of employers and to any person or association of employees who have filed their names and addresses, requesting copies of any determination stating the particular rates and the particular class of workers whose wages will be affected by such rates.

Section 9: This Ordinance shall be in full force and effect from and after its passage, approval and publication in pamphlet form as provided by law.

Explanations

KANE COUNTY

ELECTRICIANS AND COMMUNICATIONS TECHNICIAN (NORTH) - Townships of Burlington, Campton, Dundee, Elgin, Hampshire, Plato, Rutland, St. Charles (except the West half of Sec. 26, all of Secs. 27, 33, and 34, South half of Sec. 28, West half of Sec. 35), Virgil and Valley View CCC and Elgin Mental Health Center.

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

EXPLANATION OF CLASSES

ASBESTOS - GENERAL - removal of asbestos material/mold and hazardous materials from any place in a building, including mechanical systems where those mechanical systems are to be removed. This includes the removal of asbestos materials/mold and hazardous materials from ductwork or pipes in a building when the building is to be demolished at the time or at some close future date.

ASBESTOS - MECHANICAL - removal of asbestos material from mechanical systems, such as pipes, ducts, and boilers, where the mechanical systems are to remain.

CERAMIC TILE FINISHER

The grouting, cleaning, and polishing of all classes of tile, whether for interior or exterior purposes, all burned, glazed or unglazed products; all composition materials, granite tiles, warning detectable tiles, cement tiles, epoxy composite materials, pavers, glass, mosaics, fiberglass, and all substitute materials, for tile made in tile-like units; all mixtures in tile like form of cement, metals, and other materials that are for and intended for use as a finished floor surface, stair treads, promenade roofs, walks, walls, ceilings, swimming pools, and all other places where tile is to form a finished interior or exterior. The mixing of all setting mortars including but not limited to thin-set mortars, epoxies, wall mud, and any other sand and cement mixtures or adhesives when used in the preparation, installation, repair, or maintenance of tile and/or similar materials. The handling and unloading of all sand, cement, lime, tile, fixtures, equipment, adhesives, or any other materials to be used in the preparation, installation, repair, or maintenance of tile and/or similar materials. Ceramic Tile Finishers shall fill all joints and voids regardless of method on all tile work, particularly and especially after installation of said tile work. Application of any

and all protective coverings to all types of tile installations including, but not be limited to, all soap compounds, paper products, tapes, and all polyethylene coverings, plywood, masonite, cardboard, and any new type of products that may be used to protect tile installations, Blastrac equipment, and all floor scarifying equipment used in preparing floors to receive tile. The clean up and removal of all waste and materials. All demolition of existing tile floors and walls to be re-tiled.

COMMUNICATIONS TECHNICIAN

Construction, installation, maintenance and removal of telecommunication facilities (voice, sound, data and video), telephone, security systems, fire alarm systems that are a component of a multiplex system and share a common cable, and data inside wire, interconnect, terminal equipment, central offices, PABX and equipment, micro waves, V-SAT, bypass, CATV, WAN (wide area network), LAN (local area networks), and ISDN (integrated system digital network), pulling of wire in raceways, but not the installation of raceways.

MARBLE FINISHER

Loading and unloading trucks, distribution of all materials (all stone, sand, etc.), stocking of floors with material, performing all rigging for heavy work, the handling of all material that may be needed for the installation of such materials, building of scaffolding, polishing if needed, patching, waxing of material if damaged, pointing up, caulking, grouting and cleaning of marble, holding water on diamond or Carborundum blade or saw for setters cutting, use of tub saw or any other saw needed for preparation of material, drilling of holes for wires that anchor material set by setters, mixing up of molding plaster for installation of material, mixing up thin set for the installation of material, mixing up of sand to cement for the installation of material and such other work as may be required in helping a Marble Setter in the handling of all material in the erection or installation of interior marble, slate, travertine, art marble, serpentine, alberene stone, blue stone, granite and other stones (meaning as to stone any foreign or domestic materials as are specified and used in building interiors and exteriors and customarily known as stone in the trade), carrara, sanionyx, vitrolite and similar opaque glass and the laying of all marble tile, terrazzo tile, slate tile and precast tile, steps, risers treads, base, or any other materials that may be used as substitutes for any of the aforementioned materials and which are used on interior and exterior which are installed in a similar manner.

MATERIAL TESTER I: Hand coring and drilling for testing of materials; field inspection of uncured concrete and asphalt.

MATERIAL TESTER II: Field inspection of welds, structural steel, fireproofing, masonry, soil, facade, reinforcing steel, formwork, cured concrete, and concrete and asphalt batch plants; adjusting proportions of bituminous mixtures.

OPERATING ENGINEER - BUILDING

Class 1. Asphalt Plant; Asphalt Spreader; Autograde; Backhoes with Caisson Attachment; Batch Plant; Benoto (requires Two Engineers); Boiler and Throttle Valve; Caisson Rigs; Central Redi-Mix Plant; Combination Back Hoe Front End-loader Machine; Compressor and Throttle Valve; Concrete Breaker (Truck Mounted); Concrete Conveyor; Concrete Conveyor (Truck Mounted); Concrete Paver Over 27E cu. ft; Concrete Paver 27E cu. ft. and Under: Concrete Placer; Concrete Placing Boom; Concrete Pump (Truck Mounted); Concrete Tower; Cranes, All; Cranes, Hammerhead; Cranes, (GCI and similar Type); Creter Crane; Spider Crane; Crusher, Stone, etc.; Derricks, All; Derricks, Traveling; Formless Curb and Gutter Machine; Grader, Elevating; Grouting Machines; Heavy Duty Self-Propelled Transporter or Prime Mover; Highlift Shovels or Front Endloader 2-1/4 yd. and over; Hoists, Elevators, outside type rack and pinion and similar machines; Hoists, One, Two and Three Drum; Hoists, Two Tugger One Floor; Hydraulic Backhoes; Hydraulic Boom Trucks; Hydro Vac (and similar equipment); Locomotives, All; Motor Patrol; Lubrication Technician; Manipulators;

Pile Drivers and Skid Rig; Post Hole Digger; Pre-Stress Machine; Pump Cretes Dual Ram; Pump Cretes: Squeeze Cretes-Screw Type Pumps; Gypsum Bulker and Pump; Raised and Blind Hole Drill; Roto Mill Grinder; Scoops - Tractor Drawn; Slip-Form Paver; Straddle Buggies; Operation of Tie Back Machine; Tournapull; Tractor with Boom and Side Boom; Trenching Machines.

Class 2. Boilers; Broom, All Power Propelled; Bulldozers; Concrete Mixer (Two Bag and Over); Conveyor, Portable; Forklift Trucks; Highlift Shovels or Front Endloaders under 2-1/4 yd.; Hoists, Automatic; Hoists, Inside Elevators; Hoists, Sewer Dragging Machine; Hoists, Tugger Single Drum; Laser Screed; Rock Drill (Self-Propelled); Rock Drill (Truck Mounted); Rollers, All; Steam Generators; Tractors, All; Tractor Drawn Vibratory Roller; Winch Trucks with "A" Frame.

Class 3. Air Compressor; Combination Small Equipment Operator; Generators; Heaters, Mechanical; Hoists, Inside Elevators (remodeling or renovation work); Hydraulic Power Units (Pile Driving, Extracting, and Drilling); Pumps, over 3" (1 to 3 not to exceed a total of 300 ft.); Low Boys; Pumps, Well Points; Welding Machines (2 through 5); Winches, 4 Small Electric Drill Winches.

Class 4. Bobcats and/or other Skid Steer Loaders; Oilers; and Brick Forklift.

Class 5. Assistant Craft Foreman.

Class 6. Gradall.

Class 7. Mechanics; Welders.

OPERATING ENGINEERS - HIGHWAY CONSTRUCTION

Class 1. Asphalt Plant; Asphalt Heater and Planer Combination; Asphalt Heater Scarfire; Asphalt Spreader; Autograder/GOMACO or other similar type machines: ABG Paver; Backhoes with Caisson Attachment; Ballast Regulator; Belt Loader; Caisson Rigs; Car Dumper; Central Redi-Mix Plant; Combination Backhoe Front Endloader Machine, (1 cu. yd. Backhoe Bucket or over or with attachments); Concrete Breaker (Truck Mounted); Concrete Conveyor; Concrete Paver over 27E cu. ft.; Concrete Placer; Concrete Tube Float; Cranes, all attachments; Cranes, Tower Cranes of all types: Creter Crane: Spider Crane; Crusher, Stone, etc.; Derricks, All; Derrick Boats; Derricks, Traveling; Dredges; Elevators, Outside type Rack & Pinion and Similar Machines; Formless Curb and Gutter Machine; Grader, Elevating; Grader, Motor Grader, Motor Patrol, Auto Patrol, Form Grader, Pull Grader, Subgrader; Guard Rail Post Driver Truck Mounted; Hoists, One, Two and Three Drum; Heavy Duty Self-Propelled Transporter or Prime Mover; Hydraulic Backhoes; Backhoes with shear attachments up to 40' of boom reach; Lubrication Technician; Manipulators; Mucking Machine; Pile Drivers and Skid Rig; Pre-Stress Machine; Pump Cretes Dual Ram; Rock Drill - Crawler or Skid Rig; Rock Drill - Truck Mounted; Rock/Track Tamper; Roto Mill Grinder; Slip-Form Paver; Snow Melters; Soil Test Drill Rig (Truck Mounted); Straddle Buggies; Hydraulic Telescoping Form (Tunnel); Operation of Tieback Machine; Tractor Drawn Belt Loader; Tractor Drawn Belt Loader (with attached pusher - two engineers); Tractor with Boom; Tractaire with Attachments; Traffic Barrier Transfer Machine; Trenching; Truck Mounted Concrete Pump with Boom; Raised or Blind Hole Drills (Tunnel Shaft); Underground Boring and/or Mining Machines 5 ft. in diameter and over tunnel, etc; Underground Boring and/or Mining Machines under 5 ft. in diameter; Wheel Excavator; Widener (APSCO).

Class 2. Batch Plant; Bituminous Mixer; Boiler and Throttle Valve; Bulldozers; Car Loader Trailing Conveyors; Combination Backhoe Front Endloader Machine (Less than 1 cu. yd. Backhoe Bucket or over or with attachments); Compressor and Throttle Valve; Compressor, Common Receiver (3); Concrete Breaker or Hydro Hammer; Concrete Grinding Machine; Concrete Mixer or Paver 7S Series to and including 27 cu. ft.; Concrete Spreader; Concrete Curing Machine, Burlap Machine, Belting Machine and Sealing Machine; Concrete Wheel Saw; Conveyor Muck Cars (Haglund or Similar Type); Drills, All; Finishing Machine — Concrete; Highlift Shovels or Front Endloader; Hoist — Sewer Dragging Machine; Hydraulic Boom Trucks (All Attachments); Hydro-Blaster; Hydro

Excavating (excluding hose work); Laser Screed; All Locomotives, Dinky; Off-Road Hauling Units (including articulating) Non Self-Loading Ejection Dump; Pump Cretes: Squeeze Cretes - Screw Type Pumps, Gypsum Bulker and Pump; Roller, Asphalt; Rotary Snow Plows; Rototiller, Seaman, etc., self-propelled; Self-Propelled Compactor; Spreader - Chip - Stone, etc.; Scraper - Single/Twin Engine/Push and Pull; Scraper - Prime Mover in Tandem (Regardless of Size); Tractors pulling attachments, Sheeps Foot, Disc, Compactor, etc.; Tug Boats.

Class 3. Boilers; Brooms, All Power Propelled; Cement Supply Tender; Compressor, Common Receiver (2); Concrete Mixer (Two Bag and Over); Conveyor, Portable; Farm-Type Tractors Used for Mowing, Seeding, etc.; Forklift Trucks; Grouting Machine; Hoists, Automatic; Hoists, All Elevators; Hoists, Tugger Single Drum; Jeep Diggers; Low Boys; Pipe Jacking Machines; Post-Hole Digger; Power Saw, Concrete Power Driven; Pug Mills; Rollers, other than Asphalt; Seed and Straw Blower; Steam Generators; Stump Machine; Winch Trucks with "A" Frame; Work Boats; Tamper-Form-Motor Driven.

Class 4. Air Compressor; Combination - Small Equipment Operator; Directional Boring Machine; Generators; Heaters, Mechanical; Hydraulic Power Unit (Pile Driving, Extracting, or Drilling); Light Plants, All (1 through 5); Pumps, over 3" (1 to 3 not to exceed a total of 300 ft.); Pumps, Well Points; Vacuum Trucks (excluding hose work); Welding Machines (2 through 5); Winches, 4 Small Electric Drill Winches.

Class 5. SkidSteer Loader (all); Brick Forklifts; Oilers.

Class 6. Field Mechanics and Field Welders

Class 7. Dowell Machine with Air Compressor; Gradall and machines of Like nature.

OPERATING ENGINEERS - FLOATING

Diver. Diver Wet Tender, Diver Tender, ROV Pilot, ROV Tender

SURVEY WORKER - Operated survey equipment including data collectors, G.P.S. and robotic instruments, as well as conventional levels and transits.

TRAFFIC SAFETY - work associated with barricades, horses and drums used to reduce lane usage on highway work, the installation and removal of temporary lane markings, and the installation and removal of temporary road signs.

TRUCK DRIVER - BUILDING, HEAVY AND HIGHWAY CONSTRUCTION Class 1. Two or three Axle Trucks. A-frame Truck when used for transportation purposes; Air Compressors and Welding Machines, including those pulled by cars, pick-up trucks and tractors; Ambulances; Batch Gate Lockers; Batch Hopperman; Car and Truck Washers; Carry-alls; Fork Lifts and Hoisters; Helpers; Mechanics Helpers and Greasers; Oil Distributors 2-man operation; Pavement Breakers; Pole Trailer, up to 40 feet; Power Mower Tractors; Self-propelled Chip Spreader; Skipman; Slurry Trucks, 2-man operation; Slurry Truck Conveyor Operation, 2 or 3 man; Teamsters; Unskilled Dumpman; and Truck Drivers hauling warning lights, barricades, and portable toilets on the job site.

Class 2. Four axle trucks; Dump Crets and Adgetors under 7 yards; Dumpsters, Track Trucks, Euclids, Hug Bottom Dump Turnapulls or Turnatrailers when pulling other than self-loading equipment or similar equipment under 16 cubic yards; Mixer Trucks under 7 yards; Ready-mix Plant Hopper Operator, and Winch Trucks, 2 Axles.

Class 3. Five axle trucks; Dump Crets and Adgetors 7 yards and over; Dumpsters, Track Trucks, Euclids, Hug Bottom Dump Turnatrailers or turnapulls when pulling other than self-loading equipment or similar equipment over 16 cubic yards; Explosives and/or Fission Material Trucks; Mixer Trucks 7 yards or over; Mobile Cranes while in transit; Oil Distributors, 1-man operation; Pole Trailer, over 40 feet; Pole and Expandable Trailers hauling material over 50 feet long; Slurry

trucks, 1-man operation; Winch trucks, 3 axles or more; Mechanic--Truck Welder and Truck Painter.

Class 4. Six axle trucks; Dual-purpose vehicles, such as mounted crane trucks with hoist and accessories; Foreman; Master Mechanic; Self-loading equipment like P.B. and trucks with scoops on the front.

TERRAZZO FINISHER

The handling of sand, cement, marble chips, and all other materials that may be used by the Mosaic Terrazzo Mechanic, and the mixing, grinding, grouting, cleaning and sealing of all Marble, Mosaic, and Terrazzo work, floors, base, stairs, and wainscoting by hand or machine, and in addition, assisting and aiding Marble, Masonic, and Terrazzo Mechanics.

Other Classifications of Work:

For definitions of classifications not otherwise set out, the Department generally has on file such definitions which are available. If a task to be performed is not subject to one of the classifications of pay set out, the Department will upon being contacted state which neighboring county has such a classification and provide such rate, such rate being deemed to exist by reference in this document. If no neighboring county rate applies to the task, the Department shall undertake a special determination, such special determination being then deemed to have existed under this determination. If a project requires these, or any classification not listed, please contact IDOL at 217-782-1710 for wage rates or clarifications.

LANDSCAPING

Landscaping work falls under the existing classifications for laborer, operating engineer and truck driver. The work performed by landscape plantsman and landscape laborer is covered by the existing classification of laborer. The work performed by landscape operators (regardless of equipment used or its size) is covered by the classifications of operating engineer. The work performed by landscape truck drivers (regardless of size of truck driven) is covered by the classifications of truck driver.

MATERIAL TESTER & MATERIAL TESTER/INSPECTOR I AND II

Notwithstanding the difference in the classification title, the classification entitled "Material Tester I" involves the same job duties as the classification entitled "Material Tester/Inspector I". Likewise, the classification entitled "Material Tester II" involves the same job duties as the classification entitled "Material Tester/Inspector II".
