

VILLAGE OF GILBERTS

WINTER 2013

Dear Residents,

We've had another successful year managing the Village's operations while keeping costs in line with revenues. This past May, we thanked Everett Clark for his years of service to the Village as he concluded his tenure as Village Trustee, and we welcomed the addition of David LeClercq, our newest Trustee.

In addition to working with Interstate Partners to start their Prairie Business Park at the southwest corner of Higgins and Tyrrell Roads, the Village welcomed the following businesses to the community:

- Brothers Graphics
- Echelon Design
- Guy Motorsports
- Hardware Recourses
- Midwest Integrated Companies, LLC
- Move! Chiropractic and Wellness, Inc.
- New Dimensions Mold Co., Inc.
- Safety Socket
- SBS Steel Belt Systems
- Sol Manufacturing
- Trademark Mechanical
- Chicago Silk Florist
- EaB Solutions
- Eco-Pro, Inc
- Heritage Heating
- SS Crane Service Corporation
- Simply Design

We also congratulate Midwest Turned Products, LLC on their move to and expansion into their new Prairie Business Park location.

On behalf of the Village of Gilberts Board of Trustees and staff, we wish you a happy and safe holiday season.

Rick Zirk
Village President

The Village would like to thank the YMCA, the Rutland Dundee Fire Protection District, the Police Department, Public Works, Kyuki-do Martial Arts, and Kirstin Finneran from the Fox River Valley Public Library for helping make this year's bonfire a success.

Snow Parking Ban

As winter approaches, please keep in mind the snow parking ban in the Village. It is unlawful for any person to park a vehicle or trailer on any street within the Village after 2" or more of snow fall to allow for adequate snow removal.

When clearing off your driveways or sidewalks, do not push snow onto the street as the snow may make for slippery conditions especially if they have already been cleared by Public Works.
